

TREAT YOURSELF TO A RADIANT GLOW

Customized Professional Facial Services

Why Get a Professional Facial?

While your daily routine is important, a professional facial goes deeper. It provides deep cleaning, professional-grade exfoliation, and targeted nourishment that your skin can't get from home products alone.

Whether you have dry, dull, oily, sensitive, or aging skin, we have a solution for you:

- **Deep Pore Cleansing** — Removes stubborn debris and impurities to prevent breakouts
- **Anti-Aging & Firming** — Boosts collagen and smooths fine lines for a youthful lift
- **Hydration Boost** — Infuses moisture-rich serums to restore dewiness and elasticity
- **Brightening Treatment** — Targets dullness and hyperpigmentation for a radiant, even tone
- **Sensitive Skin Soother** — Calms redness and irritation with gentle professional-grade ingredients
- **Acne Treatment** — Targets problem bacteria and clogged pores for a clean, bright tone
- **Detox Facial** — Deep-cleansing charcoal treatment to draw out impurities and purify congested skin

Our Signature Experiences

- **The Lift** — RF radiofrequency facial for skin tightening and lift
- **Goddess Facial** — Microneedling, PRP, and LED therapy for deep skin rejuvenation
- **The Clare Glow** — Clare's signature brightening facial with hydrodermabrasion, soft peel, and green LED therapy

What's Included in Every Facial?

1. **Skin Analysis:** A professional evaluation to determine your specific skin type and needs.
 2. **Deep Cleanse & Prep:** Thorough removal of impurities, environmental pollutants and oil.
 3. **Facial steaming:** To open the pores to receive the nutrients applied throughout
 4. **Exfoliation & Resurfacing:** Hydrodermabrasion, soft peel, or vibrating probe used to remove dead cells and clear congested pores, depending on your treatment.
 5. **Treatment Mask/Serum:** A concentrated mask or serum tailored to your specific goals.
 6. **Finishing Protection:** Moisturizer and SPF to lock in nutrients and protect your glow.
-

Quick Tips for Your Glow

- **Consistency is Key:** We recommend a facial every 4–6 weeks for lasting results.
- **Post-Facial Care:** Avoid heavy makeup for 24 hours to let your skin breathe.
- **Stay Hydrated:** Drink plenty of water after your treatment to flush out toxins.
